

Stansbury High School Driver Education

Student Name: _____

The Stansbury High School Driver Education Program is using 'Moneo Drive' software, which provides a website where students and parents can track progress, view routes, and see the upcoming drive schedule. Students **are required** to complete the steps listed below in order to have their student information available for drive activities with their instructor. There is no charge associated with this online account. All data submitted in creating your account is kept confidential and not used for any purpose outside of drivers education.

Account Registration & Using the Moneo Drive Website

Create your student account: (Required)

1. Go to <https://utah.moneodrive.com>, and then click "Need an Account?".
2. The "Create Account" page should appear. Enter your access code in the designated field.

Student Access Code 3529-4823-2854-1694

3. Create a new username & password of your choice.
4. Click on the Continue button. Fill in all of the requested information which applies to you.
5. Your account has now been created.

Logging in to your Moneo Drive account:

- Log in into your Moneo Drive account at <https://utah.moneodrive.com> using the username and password that you just created.
- If you have been instructed to register for a classroom or drive class, you can do so by selecting "Register" on the left menu. Select the "Available Classes" tab and select the appropriate class section.
- **A parent or guardian account** can be created by selecting the "Parents" tab, and then "Add".
- After you have been added to a road driving class, you will be able to check the calendar, or the "Activities" tab to view your upcoming drives which have been scheduled.

Cut on line and please return following permission form to your Instructor

I, _____, grant permission for my student to participate in classroom and road driving activities.

I understand that my student must register their online account and that additionally I have the option of creating an account in order to coordinate schedules and track driving progress. Also, I agree to the terms and conditions for using this website.

Signature of Parent or Guardian: _____ Date: _____
